-POLICY STATEMENT-

To ensure that the practices of educational therapy are clear, a brief statement of policy is listed below. Please review this policy carefully, sign one copy and return it to me. Keep the other copy for your records.

- Keep all scheduled appointments to ensure consistency for your child.

- If your child is unable to attend a session, give notice at least 24 hours in advance. If cancellation is a result of unforeseen circumstances (i.e. illness) please call as soon as possible. Non-notified cancellations will result in a charge for a full session.

- A make-up session will be given for each notified cancelled session whenever possible.

- All sessions are 50 minutes unless otherwise agreed upon.

- Educational therapy services will be billed at the rate of **$120 per 50-minute session** plus a travel fee for each off-site session (i.e. client's home or school).

- It is understood that these fees will also be applied and prorated to *all professional services* including: home visits, school observations and meetings, teacher and parent conferences, and all phone calls beyond 15 minutes.

- Testing sessions will be billed at the hourly rate as stated above.

- Billing is done at the end of the month for services rendered and is due on or before the fifteenth of the following month. A **$25 late fee** will be added to payments received after the fifteenth of each month.

Good communication is an essential part of educational therapy and is highly appreciated. If you have any questions, please feel free to call.
